GREEN CAMPUS INITIATIVES POLICY

From 2018-2023

- Students must not throw any waste papers inside the campus and are instructed to put only in the dustbin placed in respective class rooms. If found misbehaving such students are warned accordingly.
- Students should not plough any flowers, branches of the tree.
- As and when green initiatives conducted within the campus and also promotional activities at outside the campus, student's volunteer need to actively take part in such activities.
- The entire campus is surrounded with greenery and clean and fair atmosphere. Students and staff together must take care of plants and trees during greenery initiative activities within the campus.
- College regularly educate about the prominence of different medicinal plants and accordingly, students and staff must protect all the medicinal plants
- Plastic free Campus- Awareness is created among the students and staff to keep the campus clean and free from plastic papers, Plastic bags etc.,
- Avoiding use and through plastic bottles by installing RO water unit. This will promote the students to use bottles to refill the water. During health-related programs students have been motivated to bring water in metallic bottles.
- Every year World Environment Day should be celebrated in the campus by NSS, NCC ROVER, RANGERS unit and Red Cross unit take part in maintaining the college garden. This is to keep the campus green.
- Certain measures are taken to conserve electricity consumption.
- Monitoring of unplugging of electrical and electronic devices like lights, fans, computers and laboratory equipment's, etc. to save energy should be done by Class representatives, Attenders and Class teachers.
